CRIPPLE CREEK GOLD STOCKS

Buying at present prices means large profits. Our information is the latest. Get posted. We have connections over OUR OWN private direct wires with all Colorado Exchanges, of which we are members. We have our own well-trained forces and houses at Denver, Colorado Springs, Victor, and Cripple Creek. Our own experts are always in the camp. Write us for any information desired regarding stocks or properties.

Cripple Creek output for 1895 was over 200,000 tons, valued at \$8,100,000. This is nothing compared to the amount of ore now in sight. A shipping mine for every ten patented claims within the boundary—truly a remarkable showing for the district, considering its age and development. Full and complete information, statistics, maps, etc., freely furnished. Prompt and careful attention given to the interests of our clients.
